

Executive Council Elections

WOMEN IN
NEPHROLOGY
REACHING FOR THE FUTURE

Elections will be held this year for:

- Councilor (3)
- Treasurer

Are you looking for an opportunity for national/international leadership service?

Learn and gain experience in leadership on a national and international stage!

WIN is looking for you!

Professionals (MD, PhD, MPH, etc.) and allied health professionals are welcome to apply

(Self nominations encouraged)

For application and more information, please email win@womeninnephrology.org.

Nominations due August 22, 2024

Women in Nephrology is a small international professional organization that began in 1984. We strive to advance under-heard voices in nephrology. WIN provides programming and opportunities to enhance leadership skills and knowledge, to promote visibility and inclusion of women and underrepresented individuals in professional opportunities, and to promote kidney research by and about women.
